

Healthy Food for a Better Tomorrow

<https://salado.in/>

Introduction

Product & Services

Made with natural, nutrient-rich ingredients.

Designed for taste, convenience, and health benefits.

Options for different dietary needs and lifestyles.

Business Model

- **Step-by-Step Process:**
Order received → Fresh ingredients selected → Meal customized → Hygienically packed → Delivered to customer.
- **Use of Sequencing Words:**
First (order received), Next (vegetables prepared), Then (ingredients assembled), Finally (safe delivery).
- **Visual Support:**
Kitchen workflow diagrams, preparation videos, and delivery flowcharts to show transparency.
- **Accuracy & Quality Control:**
Standard recipes, correct nutritional information, and consistent hygiene practices to build customer trust.

Our Vision

We envision a future where healthy eating is simple, enjoyable, and widely accessible. SaladO is committed to offering products that encourage people to make better choices without compromising on taste or convenience. Our vision is to empower communities with food that supports long-term health and well-being to make sure the overall experience promotes a healthy lifestyle in a friendly environment.

The Problem

Rising health concerns linked to unhealthy eating habits.

Limited access to nutritious and affordable food options.

Consumers struggle to balance convenience with health benefits.

Growing demand for transparent, wholesome ingredients.

Market Opportunity

The Indian Market with healthy snacks and meals is to reach 6.12 billion by 2030, and Salado is at 7.75% CAGR growth.

Strong presence in Tier 1 and Tier 2 cities such as Hyderabad, Mumbai, and Bangalore.

Awarded “Start-up of the Year 2023” and “Best Franchisor.”

Traction & Achievements

SaladO has achieved strong early traction with consistent month-over-month revenue growth, expanding delivery coverage, increasing repeat customers, strategic partnerships with local suppliers, and positive customer feedback for its fresh, healthy, and convenient meal options.

For Your New Diet Journey

SaladO (often spelled Salado) is a prominent Indian health-food brand that identifies itself as India's largest salad brand. Founded in August 2021 by Riya Rohra and Kamlesh Rohra, the company began as a home kitchen experiment in Nashik before expanding into a nationwide franchise

Top Menu

SaladO's menu features over 30 health-focused dishes ranging from Exotic Veg and Non-Veg Salads to Pasta Salads, Quinoa Bowls, and Healthy Desserts. Known as India's largest salad brand, they focus on combining nutrition with robust flavours, often using signature dressings like Pudina (Mint).
